## FLU SHOT PROGRAMS

## 2014-2015 CORPORATE FLU SHOT PROGRAM - SCHEDULING & PRICING

WellShots is a provider of comprehensive, turnkey flu shot programs that require minimal effort from company contacts.

Just let us know the following:

1. Company and contact person info (name, phone, email, address)
2. Anticipated number of shots (number of shots from previous years)
3. Preference in dates and times (if held during your health fair)
4. Method of payment (company, employee or cost share)

You will have a single point of contact that will confirm your flu shot program date, time and quantity. Afterwards you will receive a confirmation and contract with payment details. In addition to company checks we accept cash, and most major credit cards; Visa, MasterCard, Discover and American Express.

Number of Flu Shots	Cost per Shot
25 (program minimum) to 49	\$25 each
50 to 74	\$24 each
75 to 99	\$23 each
100 to 199	\$22 each
200 to 299	\$21 each
300 or more	\$20 each

Preservative free vaccine available at additional cost - ask for details.

On the date of your flu shot program - staff will arrive 30 minutes prior to set-up. After the completion of the program we will remove all medical waste from the site.
